Next Chapter Gathering: Tuesday November 6, 2018

CD's Corner

Fall has arrived, or as described in a Facebook post, fall in Georgia is simply summer with pumpkins. Anyways, I am ready for cooler riding temperatures. Our last chapter ride did get a bit hot riding home in the afternoon. Some of us cooled off at a Dairy Queen enjoying the tastes of pumpkin Blizzards (I enjoyed the strawberry Ghirardelli chunks Blizzard). All in all it was a great Saturday ride enjoying the company of fellow Gold Wings. If you split off early, you missed the ice cream stop.

Our fall ride is now on the books so make your reservations soon! Chapter S has a 6pm reservation for Ruby Falls; so if going, get your tickets before the 40 person limit has been reached. I am also opening our ride to other chapters that may want to meet us there. So pack some of your favorite cards, bingo, and board games for evening entertainment.

As always, check our webpage, newsletter, and Facebook page for all the latest events with Chapter S. I am always looking for suggestions for places to go and things to do.

Ride Safe!

Goofy's Adventures

I went home with Joe after the September Gathering. It seems that Joe thought "One Way" meant the way he was driving, but the Sign said otherwise. To cinch the deal, he was spotted by fellow Members (Ken and Traci) and well I guess, as they say, that is that.

Joe and I did have some good fun this month! We did Electrical work for Family, delivered a clock that Joe repaired to a very nice Lady, did some Electrical work for a friend of Joe's, went on a short GoldWing Ride and then his Grandson came over on Holiday and I got to sleep in his cot with my Cousin Goofy, ha ha. That was just the first five (5) days Folks! Janel rode with us to the Annual GGC Preparedness and Safety Fair on the 12th; Vance and Fern were able to follow us and help with the duties at hand. Thanks Vance and Fern for all the help! Joe and Janel have been invited to speak with Students about Motorist Awareness for the last four (4) years and it was a lot of fun listening to the Student stories as well. I went to Joe's Doctor appointment at Emory the next day, something about a loose screw, ha ha. I had to help move a Piano into the house that Friday and wow it was heavy! I had to take a nap after that job... We went to a Meet and Eat in Braselton at La Hacienda that Friday and man did we have a crowd! Everyone said they enjoyed the food and seeing all the Members come out to enjoy themselves. The big day was the Chapter Ride on Saturday when I got to see The Stumphouse Tunnel and Issaqueena Falls in Walhalla, SC. I loved seeing so many friends on the Ride too! We had seven (7) Bikes and George Roman's hot new Mustang; He was really great at blocking traffic for us when we needed it. Thank you George! What a busy month.

I hope I can go with someone else next month, cause I enjoy seeing what other folks do.

Rider Education

So much has changed with the Rider Education program in GWRRA in the last year or so. I thought a copy of the “new” organizational chart would be nice to present. One thing to note, there has been some

scuttlebutt about bringing the Ride Educator back to the Chapter Level. Only time will tell of this will change will be implemented and this chart will go from being “new” to being “old.”

Membership Enhancement:

Looking Forward to Fall

One of the cool things that our Chapter has been doing for years—longer than Traci and I have been around—is going on a Fall Leaf Ride.

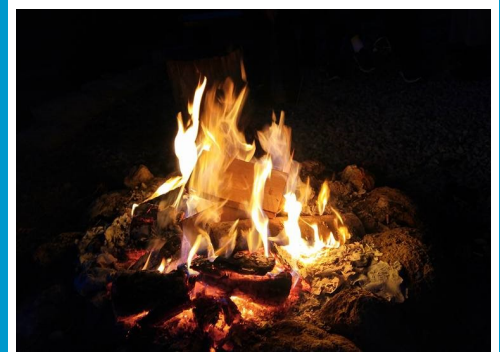

Traci and I were so excited the first time we were able to participate. It was our first time riding on the Wing into the mountains and I was excited and nervous at the same time. (Don't let on to Traci that about the nervous part.) At that time we were still riding two up, so Traci was able to take pictures all along the way. She focused on taking pictures of all the barns that we saw. What a trip!

Since then we have been able to participate in all but one of the leaf rides. (The one we missed was when we were in London last year.)

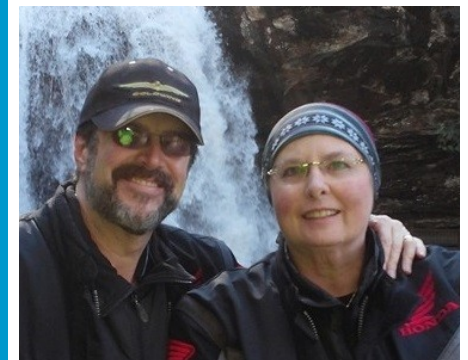

Some years the colors of the leaves were eye popping; like right out of a travel brochure. Other years they were just “so so,” but the company and comradery of our fellow travelers has always been the highlight of the journey.

This year we are heading toward the northwest and visiting Lookout Mountain, Tennessee. Carlos has scheduled some fun activities for us with a trip to Ruby Falls, Rock City and the Incline Railway.

If you haven't already made your reservations, we hope that you will consider joining us. You won't regret the trip and the memory's you make will last a lifetime!
