Chapter Gathering: 1st Tuesday of the month, 7:00 PM, Golden Corral, Winder, Georgia
Our next Gathering will be on June 4, 2019

CD's Corner*

May has arrived and brought along some pretty nice weather for riding. As you can see from our webpage, we have some chapter events all lined up. Are you ready to join in on some awesome riding? Have you checked your tires, changed your oil? Joe and I have been anxiously awaiting the arrival of replacement shocks so that we can finally get some wind therapy. We hope to see you all soon!

I recently sent out an email detailing the GA District Ride in that is happening September 19-22 in Dillard. Those of you with camping equipment can do some fall camping and those of us that prefer to "camp" hotel style can make reservations at the hotel that has rooms just waiting to be booked. It sounds like it will be a fun filled several days, with lots of riding opportunities. So go ahead and send those registrations in and get booked at either the campground or the hotel. I would love to have Chapter S ride up and just enjoy the weekend together. (Joe and I will be staying in the hotel, reservations have been made).

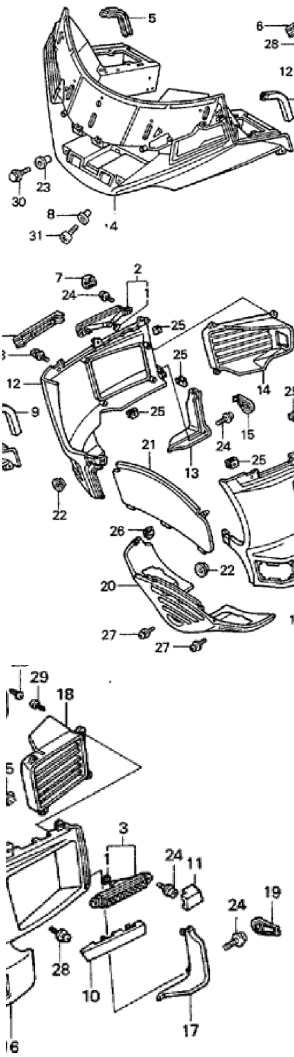

The District is undergoing some changes; but, as always, I think the changes will be in the members favor. Just have some patience while everything is getting ironed out, and spend time riding with our chapter and getting to know folks in other chapters, too.

Enjoy the ride!

Goofy's Adventures

Golly, you can only imagine my excitement when I learned that I would be spending a month with Carlos. Shucks, after all, everyone knows that Carlos rides... and rides a lot. Even though I rode home in his car the evening of our April gathering – The next morning I was on board his motorcycle (Goldie) and was ready to ride. Heck, that is certainly what I did... over three thousand miles in a month!

Golly, it is hard to know where to start; but, I rode to Jim's Smokin' Q (a spot that you'll be riding to soon). I also did a preview of an upcoming ride to some cool roads near Dillard (another place that you'll be riding to soon too). But, heck, we were just getting started. Carlos took me to Florida for their District Ride-In... which was in the pan-handle. We did get a little wet there; but, gosh, I didn't melt. On the way home from Florida, we spent the night at George T. Bagby State Park. Wow, that was a fantastic place... and I hope Carlos will take you there one day soon (there are even some real nice roads in Alabama that are pretty close).

All, the little rides I went on are hard to remember. But, I did also ride to the South Carolina Rally. Well, first, we dropped Cherie at her sister's house; then Carlos and I went to Newberry. At the rally, we met Carlos' friend, Bill Berry. Bill is a former District Director from Florida... and he rode with us back to pick up Cherie... and then to the cabin.

Shucks, Carlos, Bill, and I were all ready to ride to the Tennessee Rally... but, bad luck hit us. Bill had a screw in his tire when we were checking out the bikes (Carlos says that is called T-Clocks). Well, Carlos had a spare rear tire, but it wasn't mounted... and without time to wait to get it changed, we had to take the car. Golly rallies can be a lot of fun... even if Carlos looks a little foolish when he is dancing around at the talent contests. Huck, huck, huck!

Well, we got home, got Bill's tire changed and he is ready to head home in the morning. If rains weren't forecast for Wednesday and Thursday, he would come to our gathering. Bummer.

Oh, I forgot to tell you... Carlos and Bill went golfing several times. It seemed that Bill was the one giving the lessons; but, when they went golfing, even though Carlos golfed better than usual, Bill golfed worse. Maybe Carlos was giving Bill some sort of reverse golf lesson!?!? Heck, it could be. Well, even if they didn't golf as well as they wanted to, they sure looked good!!!

I hope whomever takes me riding next month is prepared to live up to my expectations. After a month with Carlos... Golly, the bar is set pretty darn high!
