Happy July 4<sup>th</sup>!

We have made it through half of 2019. It's hard to believe that schools will start within a few weeks. GWRRA has lots of events coming up. Have you made your reservations for Wing Fling Aug 27-31 and Georgia Ride In Sept 19-21? You can't go wrong at either of those events. It is always a good time when members get together. The Georgia District event will have a chili competition which just sounds like a wonderful way to end a day of riding. So, get out those Crock Pots and get some of your famous recipes cooking!

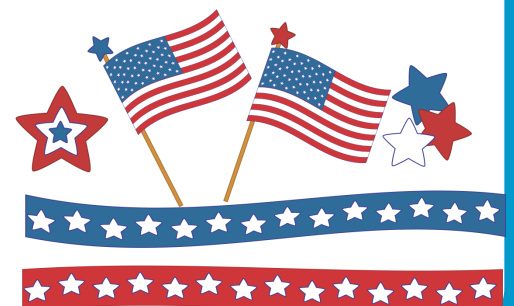

Always check our webpage and Facebook page for updated information on chapter events. We don't always have a lot scheduled due to the heat during July. If you have an idea for a week-day ride (weather permitting) let us know.

Ride safe!

### GA-S 'Soon to be' World Famous BBQ Tour Ride— Big Daddy Earl's Que & Stew

### *Epic Dad Jokes:*

Whoever invented Knock-Knock jokes should get a Nobel Prize.

I got mugged by six dwarves last night. Not Happy.

I am terrified of elevators. I'm going to start taking steps to avoid them.

My friend couldn't afford to pay his water bill. So I sent him a "get well soon" card.

True fact: Before the crowbar was invented, most crows drank at home.

Why did the stadium get so hot after the game? Because all of the fans left.

My favorite word is "Drool." It sort of rolls off the tongue.

What does the farmer say to the cows at night? It's pasture bedtime.

"Dad, I'm cold." "Go stand in the corner, I hear it's 90 degrees."

Which country's capital is has the fastest-growing populations? Ireland. Every day it's Dublin.

My friends all claim that I'm the cheapest person they every met. I'm not buying it.

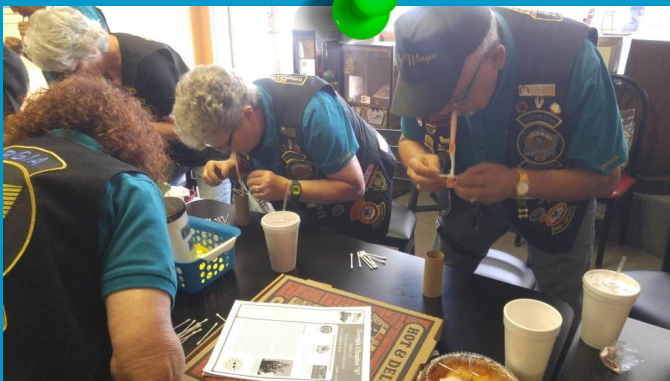

People are usually shocked when they find out I am not a very good electrician.

I can hear music coming out of my printer. I think the papers jamming' again.
