Chapter Gathering: 1st Tuesday of the month, 7:00 PM, Little Italy, Winder, Georgia
Our next Gathering will be on October 1, 2019

CD's Corner

Fall is right around the corner. Folks have returned home from the annual Wind Ding in Nashville and our September calendar is already filling up. Our chapter is giving away the Travelers Plaque on Sept 7th, our annual Motorist Awareness booth at GGC in Lawrenceville is on the 11th, and the Georgia District Ride-In is happening Sept 19-21st. So mark your calendars!

Have you checked out our webpage recently? It will have all the current events with meet places and times. Our apparel page is also listed, so check out our items and if you need to order a shirt or two, print out the order form and bring to our gathering with a check. Turnaround time is about a month. So plan ahead.

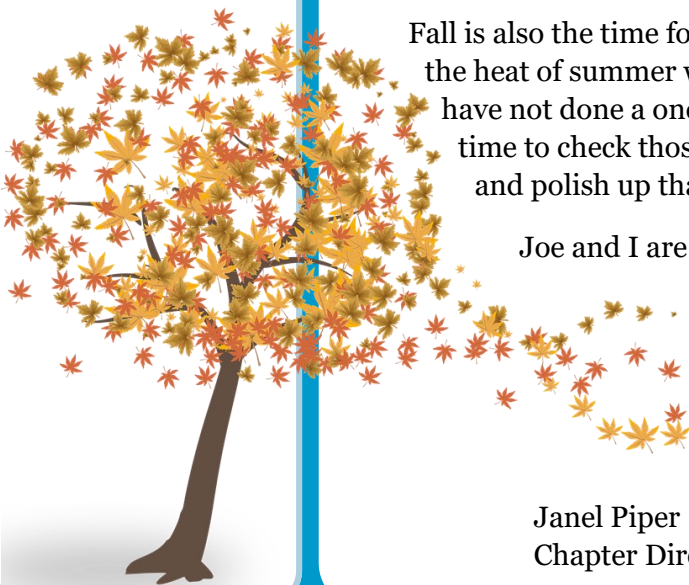

Fall is also the time for getting out and riding since the heat of summer will soon be behind us. If you have not done a once over on your bike, now is the time to check those tires, batteries, change the oil and polish up that ride.

Joe and I are looking forward to those cool days up in the Georgia Mountains. Make plans to join our chapter for some fun in the wind.

Goofy's Adventures

Well, folks, after riding all the way to Montana and back this summer with Carlos, spending this past month with Joe was (yawn) pretty boring. I spend so much time in the child seat of his car. Then the only place we would go was to people's houses and I would sit in the car watching Joe talking with people in Statham. Somebody said he was running for Mayor...well, let me tell you, if talking to people is the job description, then he is perfect for the job.

I did get to help Janel put his campaign signs together in the garage; but, She said I wasn't much help as I kept getting hooked on the wire stakes.

Joe did take me on the ride to capture the Travelers Plaque. Chapter S traveled to Chapter A and brought that wooden sign right back north. I hear they are planning to give it away at the Dairy Queen. Yum, ice cream.

The other boring activity they made to do was ride in the car and look for some kind of strange creatures throughout the area. They call them Pokemons, and boy, do they get really excited when they find a Ditto or something shiny. They sure are strange folks. I looked out the window but did not see any of those gyms or creatures they call Wailmer or Treecko. Joe and Janel think they really exist! I think they are getting silly in their old age.

So, please, someone save me...take me home with you this month!

Your pal, *GOOPY*
