Chapter Gathering: 1st Tuesday of the month, 7:00 PM, Little Italy, Winder, Georgia
Our next Gathering will be on April 7, 2020

CD's Corner*

Growing up in Pennsylvania, we based our hopes for Spring on first the groundhog, then secondly, on whether or not March came in like a lion (stormy and snowy) or a lamb (warm, sunny). My Grammy always said if March came in like a lion then it would go out like a lamb. That is what we always hoped for as that meant winter was soon behind us. I am not sure how this works in Georgia; I'm still getting used to the idea that winter here means monsoon season.

Well, whether March comes in like a lamb or a lion, all I know is that I am getting excited for riding season. The GWRRA activities are in full swing with activities and happenings around Georgia and surrounding states. Have you checked out our webpage and made reservations for 2 fabulous trips planned in April and Memorial Day weekend? It is time to check the tires, battery, and shine them up.

Everyone stay well and get ready for an active riding season.

Goofy's February Adventures

Well, Golly! What the HECK! You have to know that I was soooo excited to be going home with Carlos for a month. Gosh, everybody know he just rides and rides and rides. Shucks, I was expecting to do lots of riding and see lots great things. But, nope. I only got out for a couple of short rides.

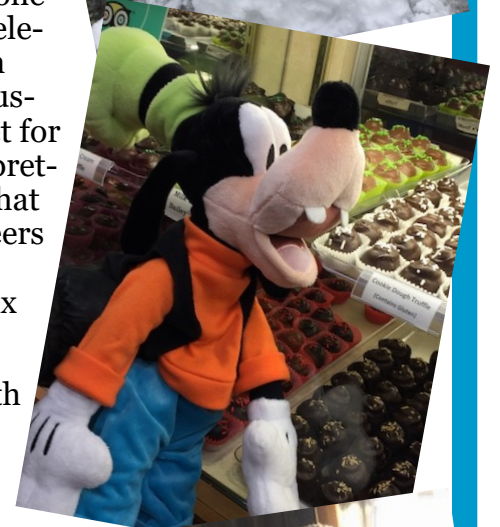

Instead, due to the rain, rain, rain... and even a snow... and cold, I did had to resort to a couple of alternative activities. Gosh, with Cherie's help, I built a snowman. I can't recall ever having done that before, though I might have.

I did get to go out on the big city of Dahlonega one night too. In fact, it was sort-of a "Leap Day" celebration. Joe and Barbara were coming to north Georgia, so Carlos, Cherie and I met them at Gustavo's for Pizza. Heck, Carlos has been on a diet for the past six weeks... which means he has been pretty darn boring. But, he let his hair down a bit that night (doing some before/after poses to the cheers (or heckles) in the restaurant and... golly... he even drank a beer (just his second in the past six weeks).

You know, that was pretty much it for the month of February. Well, I do have one piece of exciting news. Heck, if I ever get to go home with Carlos again, it appears I will get to ride on a brand-new 2020 Goldwing Tour DCT... a white one! He has been negotiating with a couple of dealers and it appears he will be on his new ride before the end of March... maybe early in March. Time will tell, but you know Carlos... once he makes up his mind... it is going to happen!

As I write this, I wonder who I'll be going home with next. I know lots of rides are start-

Ready to ride?

It has been a while since we have been able to ride, but the weather is getting better and, hopefully, a little drier, so is your motorcycle ready for riding season? Give it a once over using the attached inspection sheet used with our GWRRA Rider Course. You can find a printable copy of it on GWRRA's national website at: <http://www.gwrro.org/regional/ridered/Forms/N.17VehicleInspectionForm.pdf>
