Chapter Gathering: 1st Tuesday of the month, at El Centinela, Winder, Georgia. Our next Gathering, scheduled for May 4, 2021, eat at 6 PM, meet at 7 PM

CD's Corner

April showers bring May flowers, but here in Georgia, it brings on the pollen. Like most folks not native to Georgia, the yellow snow that covers everything outside still amazes me. Sometimes rain assists in the removal of the yellow flakes but it is quickly replaced.

Spring also encourages us to wash the dust from our motorcycles and enjoy the sights and fragrances of budding floral. Spring is the renewal of nature and the promise of warmer days ahead.

Start to make plans to get out and enjoy what Georgia offers in the springtime. Watch our Facebook page, web page and Group Works for the latest scheduled rides.

Lunch at The Attic Clarkesville, GA

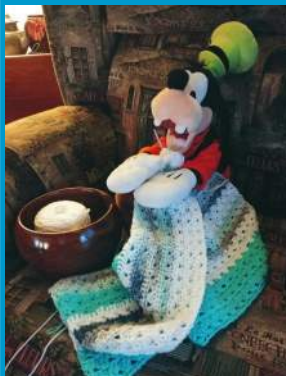

Doug when above and beyond when Ken's bike decided that Hwy 411 was a good place to "rest."

Goofy's Adventures

Gawrsh, it shore has been a quiet month with my pal Traci. We haven't traveled many places, but I did get to take my first bike trip in a long time with Traci 2 up with Ken. It was a lot of fun although I spent the actual riding part in the trunk of the bike. Had some good eaten' at the Bar H-BBQ.

Later, we went to a car museum in Clarkesville GA and saw some really neat old cars and models of cars, even a small scale railroad engine all hand made from wood – that was pretty amazin'. I had a great lunch at the Attic restaurant with all my Goldwing pals and if I had gotten picked to try my paw at pulling the colored poker chip, I know fer shur I woulda won. I would have liked to have tried the lobster cheese dip, but Ken and Traci snarfed it up before I could get my cracker to the bowl, hyuck!

Around the house, I have had a lot fun helping Traci with her art projects. Got to try my hand at painting and something called "crochet-ing" – I wasn't too good at the latter cuz my paws couldn't hang onto the metal hook thingy, but it was fun to try. I also helped out around the house cleaning and dusting up pollen that Ken and Traci tracked in the house. All in all, its been a fun month and I am looking forward to new adventures this month.

That's all fer now from
yer old pal,

GOOFP

A Fun, Fun Day!

Seven GWRRA Chapter S hardy bikes and trikes started out in Jefferson on Sat, March 6th under gray skies and about 46 degrees. All seemed dressed for the cool adventure. Carlos, our fearless Ride Coordinator (and optimist), assured us the sun would appear!

Carlos and Cheri, Joe and Janel, Ken and Traci, Rick and Renee, Trish, Joe and Barb, Rich and Lee enjoyed a scrumptious lunch at Bar-H BBQ in Franklin Springs after riding the back roads from Jefferson.

Kudos to Traci for completing her first ride (two up) since her hip surgery. She says she is ready to take her own bike next time.

Thank you, Carlos, for a great ride - and yes, the sun appeared in the afternoon!! We are grateful for your trip planning and look forward to the next ride. Chapter S knows how to have a great time!

Lee Johnson

P.S. Traci brought Goofy along for the ride but alas, he went home with her. There were no new "oops" to qualify for a new home for Goofy

Just for Fun
