Chapter Gathering: 1st Tuesday of the month, at El Centinela, Winder, Georgia. Our next Gathering, scheduled for July 6, 2021, eat at 6 PM, meet at 7 PM

CD's Corner

Half a year has already passed and the summer season is coming in hot and fast. Chapter S has been rather quiet in the ride department; events have been cancelled, bikes are waiting on parts, and some of us have had health issues. Let's hope that the second half of 2021 fares better for us.

Joe and I want to thank everyone who prayed and offered support during Joe's fight with Covid 19- II. He is slowly on the mend and gradually resuming his role as Mayor (all that means is that he is working from home most days). We are both looking forward to the time when he will be able to ride again. Poor Bermuda Pearl is sitting, looking forlorn out the garage door.

The chapter participated in the Statham Lion Club Spring Fest by sponsoring a booth for Motorist Awareness. Many thanks to the chapter members for coming out and supporting GWRRA!

Remember to keep checking our webpage, Group Works, and Facebook page for upcoming events!

As always, ride safely and enjoy your day.

Goofy's Adventures

April:

Gawrsh, hanging with Joe Counter was an awful lot of work and only one motorcycle ride last month! Joe and Barbara are remodeling their house and they even let me help. I got to try out their new big sink, recycled from Rick and Rene's kitchen remodel. I played in their garden full of beautiful Irises, rode on Barbara's tree swing, vacuumed the drywall dust, and even used a Goofy-sized hammer to help build their new kitchen. I hope somebody else takes me this month because these people wore me OUT!

That's all for now from your old pal.

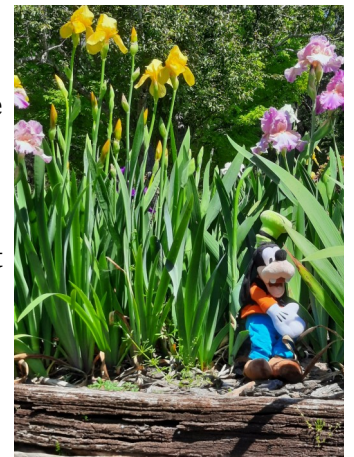

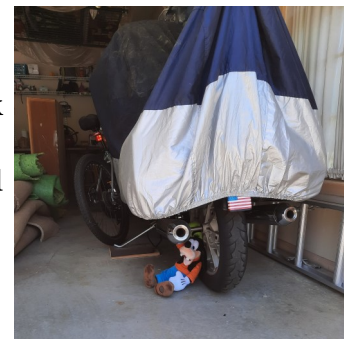

May:

Well, Ole Goof here 'reporting in 'for the happenings at the Piper household the month of May. Let me tell you, the very next day after the Gathering, Janel left me sitting in her tote bag in the garage while she flew out to Wisconsin. Thank goodness Joe came home from the hospital the next day and rescued me. You, know, the Statham Police Chief drove him home in the cruiser! And I didn't get to ride along or run the lights or sirens. FOOEY!!

Joe just sat around all day in his robe huffing something up his nose in a long clear tube. He gave me a few huffs but I didn't get a funny voice. He said it "was oxygen not helium, silly Goofy". Glad he was home all day as we watched all kind of butt kickers and Western movies on Netflix and Hulu. Joe said he was sad he couldn't take me for a ride on the Gold Wing, but maybe next time.

So, I'm ready to go visit in another home, hopefully, with someone who is able to give me some wind therapy!
