Chapter Gathering: 1st Tuesday of the month, at El Centinela, Winder, Georgia. Our next Gathering, scheduled for March 1, 2022, eat at 6 PM, meet at 7 PM

CD's Corner

Happy February, everyone! As you all know, February 2nd (Groundhog's Day) is always special to me. Since I grew up within miles of Punxsutawney, PA that day is something I look forward to every year. So, who knows whether or not Punxsutawney Phil will see his shadow (6 more weeks of winter) or no shadow (spring will be right around the corner). I am hoping he doesn't see his shadow, as I am a bit weary of cold weather and would love to be riding our Gold Wing.

Whatever happens with the weather, February is full of good reasons to get out there and celebrate... birthdays, Valentine's Day, President's Day. Any reason is a good reason to get out there and ride!

Goofy's Adventures

Well, golly, one would think that I'd be excited about going home with Cherie for a month. After all, with Carlos in the house, you know there would be lots of opportunities to get out for rides. Shucks, at least that's what I thought. Who would have thunk that we'd have soooo much cold weather in January! But still, gosh, there's no way I'd be stuck in this chair all month... tell me it isn't true.

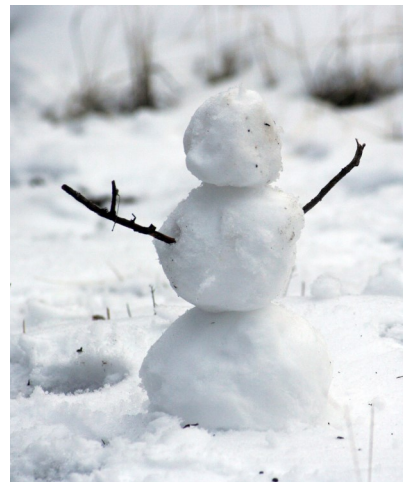

You guessed it! It wasn't long before Carlos decided that he would ride his Goldwing south to Florida and spend a week or so golfing in warmer weather. Alas, I had an opportunity to get out for a 1,200-mile ride... and provide some much-needed golf instruction... or so I thought!!! Gosh, I shouted at the top of my lungs to load me on the bike the night before. But, noooo! Wouldn't you know it, the morning of departure, Carlos was in such a hurry to get to warmer weather... he didn't think to load me on "Pale Rider"... and neither did Cherie!!! Are You kidding me!

Of course, the Chapter had a "Pie Day" event. But, with Carlos sunbathing down south, Cherie wasn't about to trek all the way to Rutledge. Heck, it was probably a good thing; Cherie would have certainly gotten lost... and might even still be trying to find her way home!

Oh, yeah, we had two snows up in north Georgia. Cherie loves to make snowmen. Would this be my opportunity for an adventure? Golly, please, please, please. But, noooo! It was too cold! (Sounds like an excuse to me!)

Okay, I've got a lot of pent up energy. Hopefully, someone with a sense for adventure will take me home in February!
